

PRESIDENT'S MESSAGE

It's always good when you go to an outstanding facility like the Ritz-Carlton and Tiburon Golf Club and enjoy great weather with the temperatures in the low 70's.

Congratulations to our Seniors Champions Gail Knappenberger and Steve Points and our Grand Seniors Champions Harry DuPre and Skip Davis. In the Ladies Division, gross winners were Jane McGregor and Ann Fowler. The Net Winners are Mary Clifford Boyd and Gail Lybrook. ABCD Scramble winners were Roy Willett, Steve Points and Paul Player. Also congratulations go to Jim Stockslager who shot his age again.

We are looking forward to The Sanctuary at Kiawah Island. At the time of this writing, we have increased the number of tee times twice to accommodate more of our members.

As always, we ask that you invite your friends and associates to enjoy the fellowship and golf that is experienced through membership in Southern Seniors.

Bill Jones

FROM THE SECRETARY

I'm sure the Naples participants all agree that a smaller field does not take away from the competition or the fun! Everyone was able to get better acquainted with the six newcomers, and the social get-togethers were enhanced by a new Executive Chef who added a creative element to the first-class Ritz-Carlton hospitality.

The member reciprocal program has been well received and the first roster of participants will be published with the 2011 directory. We now have 46 members participating. Contact the office if you have questions about the program or wish to be added. Remember, to be a guest you must enroll as a host.

Since the introduction of password-protected access to the Members Area of the website, over 100 members have logged-in to explore the new features. In addition to an up-to-date directory with e-mail addresses, this area allows you to enter tournaments more easily and change or add photos. You can also e-mail your photo or a photo of you and your wife to the office and we will upload it. This area allows you to view member reciprocal participants and respond to surveys too. If you haven't done so, please check it out.

Last month it looked like we were headed for oversubscription at the upcoming Carolina Classic at The Sanctuary at Kiawah Island. The economy is recovering and occupancy at many resorts is strong. Please review the oversubscription policy and procedure in the association's Operating Procedures. You can assure a priority for entry by attending more events.

This year The Hamill Trophy at Linville features several golf and social format changes. Qualifying for seniors and Grand Seniors has been eliminated and the tournament has been shortened by a day. Championship Flights for both divisions will be made up of the lowest handicaps that wish to play at scratch. Complete details are enclosed.

As always, we encourage you to contact the office if you need help with our online services, sponsorship, or whenever we can assist you in any way.
