

## **PRESIDENT'S MESSAGE**

Those of us who attended Hammock Beach in 2009 raved about it so much that the word got around! We were happily very well attended this year. We had 76 men and 41 ladies playing golf and 28 non-golfing ladies! Just like the old days!!

We suspect that the great attendance was not only due to the positive comments from 2009 but also to the fact that this was our experimental three-day event. Whatever the reason people came (please let us know), we all had a great time. The resort staff bent over backwards at every opportunity to make us feel welcome and appreciated. Although we are not planning on returning in 2011, Hammock Beach will be on our calendar many times in the future.

Oh, yes! The golf! Fantastic two courses- one designed by Tom Watson and one by Jack Nicklaus. Our championship could not have been better. The "Steve Squared" team of Steve Dauber and Steve Carrier prevailed after a six-hole playoff with Leroy Thompson and Jerry Lancaster for the Seniors prize. The team of Dwight Duke and Bill Carroll were also in the playoff but lost out during the "Duel in the Sun". The six-hole playoff is, we believe, the second longest in Southern Seniors history.

There were other champions as well. Bobby Fowler carried Ned Olds for three days to win the Grand Seniors. Susie Dauber and Ann Fowler won the ladies partner event. All the prizewinners are listed inside; grand kudos are duly awarded to all. The real winners were our members and guests who had a fabulous time at a wonderful place.

There were two attendees who sponsored new 2010 members: Dwight Duke and Charlie White. Both were awarded a dozen golf balls of their choice. They have joined Paul Player in the drawing for four free nights accommodations at the Naples event in 2011! So far,

the odds are looking good for sponsors who attend an event this year. Let's all jump into the pool-- "you can't win if you don't play!"

Looking ahead to our August event at The Greenbrier, all members are encouraged to bring a guest, but it's not a prerequisite for attending and joining in the good times. If I haven't seen you this year, I miss you. Hope to soon.

Ned Olds

## **FROM THE SECRETARY**

The Sand Dunes Shootout very much lived up to its name, and it was a thriller. The gallery that followed the playoff applauded shot after every great shot. As the scores attest, there was plenty of good golf in the other flights too.

Thank you for your positive comments on the new website and the story it tells about our great organization. This summer we plan to add features, so if you haven't sent us your current email address, please do so. We need your email in order to set up password-protected access to the online options as they become available.

Speaking of the website, check out the great photos of the ladies' program at Marineland. Doris Dunbar and Carol Olds took home artwork painted by dolphins (really) and all agreed it was an interesting and fun day.

We're looking forward to The Greenbrier and to meeting many more members.
