

## **PRESIDENT'S MESSAGE**

The Sanctuary was a great facility and the staff outdid themselves with friendly and knowledgeable service. We had some fun parties and dinners and having 13 new attendees and three guests added to the fellowship. With weather between 75 and 80 degrees, sun shining, do we know how to pick a place?

The green grass was a first for some of us this year and the gators stayed at bay, which was a relief. Congratulations are in order for all our winners, see complete list inside. A special congratulation goes to Dick Burton who shot his age.

This was our second three-day tournament and we continue to hear positive comments about this format. Those who missed Kiawah Island will have another chance to attend next year. We who made the trip strongly suggest you clear your calendars for that event.

Following up her letter to the ladies, Mary Ann wanted me to say that three ladies already received sponsor awards at The Sanctuary! Linville is approaching soon and we look forward to seeing you there.

  
Bill Jones

## **FROM THE SECRETARY**

The Carolina Classic will be remembered for some great golf, perfect spring weather and Five-Star hospitality. In addition to superb playing conditions we enjoyed an outdoor oceanfront cocktail reception before the banquet. Take a look at the pictures on the website under Yearbooks - 2011 Tournaments.

Congratulations to the Country Club of Landfall members who swept the tournament! Steve Edgerton and Bill Freyer teamed to win a very competitive Seniors Championship Flight by two strokes over Pat Parcels and Jerry Lancaster. Dick Burton and Barry Gordon won the Grand Seniors.

There was a potential problem at Kiawah with scoring on the last day. In one foursome the marker team departed before the other team reviewed the scoring. We understand the urgency to get started home, but please remember to make sure both competitors agree and sign the scorecard before leaving.

The Sanctuary attracts many dignitaries and celebrities and during our visit to the Lowcountry we crossed paths with President George W. Bush, economist Art Laffer and actor Bill Murray. Of course the real VIP's were our 13 newcomers! We hope you all enjoyed your first Southern Seniors event and we look forward to seeing you again soon.

I regret to inform you of the recent passing of two members, Weldon Doe of Montgomery, AL and Tom Arnold of Carmel, IN. Our thoughts and prayers are with their family and friends.

Enclosed are details on The Chairman's Cup at The Broadmoor. As an added member service, entries by mail no longer need to include an index. The Tournament Committee is now researching handicaps for both online entrants and those who mail their entry.

We look forward to seeing you at Linville or another tournament this year.

  
Dulany
