

## **PRESIDENT'S MESSAGE**

“Nothing could be finer than to be in Carolina...” That lyric describes our event at Pine Needles and Mid Pines to a T(ee). The weather could not have been better, including the days with Carolina-blue skies.

Due to the number of teams requesting the Championship Flight, Regular Seniors and Grand Seniors, we altered the format slightly. Five teams played at scratch from the blue tees in medal play while the other flights played match play with handicaps. Because of an awkward number of Grand Seniors and Regular Seniors for normal flighting, we combined three teams from the Regular Seniors and three teams from the Grand Seniors to establish the Donald Ross Flight. We labored over the name for the flight- IrRegular Seniors? Not-So-Grand-Seniors? But deferred to the Donald Ross Flight. Our new flexibility in accommodating participants' wishes shone through, and I think those in the Donald Ross Flight enjoyed the concept thoroughly (I know I did!).

Each of the winning teams is listed herein. Special congratulations to the Dauber-Scoville team for winning the Regular Seniors Championship and to Steve Scoville who recently missed qualifying for the U.S. Senior Amateur by one stroke!

Other golfing accomplishments: Bill Reed made his 10th career hole-in-one(!) on the third hole at Pine Needles. Several members shot their age: George Goosmann, Tom Metzgar, John Sterchi, Jim Stockslager and Dave Wagner. Congratulations for these lifetime achievements!

Finally, we enjoyed a green jacket presentation to Jack Harris for sponsoring 12 members. Jack is a longtime member and active participant from Raleigh. Our thanks and congratulations to Jack on joining the Eagle Society. We hope he and his wife Ann will be with us many more times.

You have recently received your 2011 tournament schedule. I'm sure you agree it's going to be an exciting and wonderful year.

Ned Olds

## **FROM THE SECRETARY**

Southern Seniors have a special fondness for Pine Needles and Mid Pines. Sandhills Masters participants included eight Past Presidents, six Eagle Society members and their wives. From Sunday registration to Thursday farewells, it seemed like a house-party reunion. And best of all, an enthusiastic newcomer told me she was so happy to feel welcomed by everyone!

Following an outdoor cocktail party and dinner at the Bell Pavilion, Annette Thompson shared her insights and advice on golf and the game of life and members took home a CD of her lessons.

Your membership renewal was mailed in late September and we hope you will take care of yours if you haven't already. If you have misplaced your notice, you can send a check for \$150 payable to SSGA to the address on the masthead. Thank you for your continued support.

Looking ahead to Naples January 23-27, please try to put this tournament on your calendar. All golf will be at Tiburon Golf Club, a short walk from the Ritz-Carlton. More details are provided in the enclosed President's Trophy announcement.

It's shaping up to be a special year-ending Annual Championship at Sea Island and we hope to see you there. As always, please don't hesitate to contact us whenever we can assist you in any way.

Dulany Hall
