

## **PRESIDENT'S MESSAGE**

We all wondered what the “new” Greenbrier would hold for us. I believe I speak for everyone who attended that The Greenbrier is well on its way to restoring its 5-Star rating! The service was outstanding; the food was terrific; the ambiance was incomparable.

Oh yes, the golf. The courses were wonderful. The Old White was refurbished a few years ago, and the only comment I would have is to be certain to stay away from the bunkers! I speak from experience, believe me.

The Greenbrier event was an important indicator of the momentum of our new member drive. We had 11 newcomers, our largest number at an event in a long time. We also had eight members present receiving a dozen golf balls of their choice for sponsoring a new member this year and attending an event as well. We are pleased with the new member enrollments, but we must continue to work hard to bring our golfing friends into the fold.

Congratulations are in order for our winners! Jack Smailes and Bill Clear won the championship over runners-up Rick Priory and his guest Jon Adams. In the Grand Seniors championship a strong newcomer team from Asheville, George Beverly and Jim Powell, defeated Bill Reed and John Jacob in the finals.

Our final event is the fabulous Cloister. Financially the resort has been through the proverbial mill, but those problems will have no effect on our event. Guest-wise it is unsurpassed in service, quality golf courses and superb accommodations. The event has been shortened by one day to make it even more attractive; plan on a grand finale to your Southern Seniors year. I look forward to our enjoying the good times together.

  
Ned Olds

## **FROM THE SECRETARY**

*Larger than Life* is a phrase often used to describe The Greenbrier and we found the scale of the resort to be even grander with recent improvements. The Casino was a welcome amenity for many members and one even commented that his winnings would cover the cost of his Greenbrier trip!

The weather was fantastic. Early morning mist lifted on time for our 9:00 AM starts and gave way to warm sunny days. We took full advantage of the dry, cool evenings with two outdoor cocktail parties. The additional group dinner at the golf club on Monday night was well received. Buffet service and open seating provided the chance to mingle with old friends, newcomers and guests. We even had a surprise visit from 40-year member John Hardy who summers at The Greenbrier.

It has been great to see many members make use of online tournament entry through the website. If you haven't sent us your e-mail address, please do so. The new credit card payment option has also been popular with those who enter by mail.

I am saddened to report the recent death of Knox Hillman of Concord, NC. Our deepest sympathy goes out to Frances and their family.

Just a word about conditions at Sea Island: the facilities including golf courses and club operations are in great shape. The resort has had a good summer season with occupancy and guest activity visibly increased over last year and staff and management are excited about the future. More details are provided in the enclosed Annual Championship announcement.

  
Dulany Hall
